

# Getting started with SPAG.com

## Adding children and printing usernames & passwords

- 1 Click **My Children**
- 2 Click **Add new children**
- 3 Click **Create new class**
- 4 Give the class a name.
- 5 Paste a list of children into the box.

- 6 Click **Add**

- 7 Click  [Print children's details](#)
- 8 Click **Print usernames**

## Setting your children a test, and viewing the gap analysis

- 1 Click **Set a Test**
- 2 Select the required test.
- 3 Click **Next >**
- 4 Tick the children that need to do the test.

CHILD'S NAME	
<input checked="" type="checkbox"/>	Bob Brown
<input checked="" type="checkbox"/>	Chloe Perry
<input checked="" type="checkbox"/>	Daniel Sanchez
<input checked="" type="checkbox"/>	Rebecca

- 5 Click **Make live**
- 6 Click **Close Test** when the test has been finished.
- 7 Click **My Reports**
- 8 Click **View Report** to see the gap analysis of the completed test.
